Ojos Nuevos: Seeing the new challenges of global medicine in Peru

Matthew Mayeda, OMS-II
Michigan State University, College of Osteopathic Medicine
Challenge you to critically think about how:

- Problem Solving Solutions can create unintentional consequences
- Developing practical solutions to resolve these issues
- The importance of empowerment in creating sustainable and positive community change
Agenda

- Introduction
- Pre-trip
- Peru
- Post-Trip Processing
Background
Pre-Trip

- Pre-Trip Goals
  - Go to Machu Picchu
  - Practice Medical Spanish
  - Improve Clinical Skills
LIMA, PERU
IQUITOS PERU
Down the Amazon River
Post-Trip Processing
Things gain in addition to achieving my trip goals:

- Friendships (with peers, mentors, patients, and Peruvian locals)
- Confidence
- Creative Problems Solving
- Inspiration
- Ojos Nuevos (New Eyes)
