

# MEKONG ONE HEALTH INNOVATION PROGRAM (MOHIP)

## A SHORT COURSE ON

# HEALTH SECURITY, ONE HEALTH & ZOOZOSES

Mekong One Health Innovation Program (MOHIP) at Michigan State University (MSU) offers a short course on "Health Security, One Health & Zoonoses". The short course aims to provide professional development opportunities for researchers/professionals to be successful independent investigators and leaders to address public health challenges and improve their country's health security by employing the One Health approach. **Interested early and mid-career professionals/researchers from Lao PDR, Thailand, and Vietnam are invited to enroll in and join this course. Those who complete the course successfully, will receive a "Certificate of Completion" from Michigan State University.**

### TOPICS
